PRESIDENT'S MESSAGE – Sally Smith

I hope I express the feelings of everyone in our Santa Barbara Women's Golf Club when I say that we have a great group of women playing golf every Wednesday. I'm delighted to see so many new members this past year. We have lots of new names to remember, but that's a good problem to have!

As I think of the progress we've made as a group, I think we can pat ourselves on the back for improving our pace of play over the past year or so. Most of the time we play golf in about 4 – 4 1/4 hours. I remember a few years ago when we were constantly being reminded to speed up play or catch up with the group in front of us!

We have a small band of highly dedicated, willing volunteers who make the weekly tournaments a big success. We need more to join their ranks! I hope everyone will respond positively and enthusiastically when asked by our tournament chair to help out with the planning and running of the weekly games.

We will be having a general meeting, without lunch, on the patio after golf on June 20. I hope you will all be there. It's so important for the good of the club to have everyone's input and participation. I look forward to seeing you there!

FROM THE GOLF SHOP – Richard Chavez, PGA Director of Golf

Ladies, now is the opportunity to have your swing checked by one of our outstanding PGA staff. May is PGA free lesson month and all you have to do is call the golf shop and sign up. If you have never taken a golf lesson you don't know what you're missing. Hurry, because time is running out. Also on the agenda is WOMEN'S GOLF WEEK, June 2-9; see the flyer in the breezeway. It should be an enjoyable week and you can get some great bargains such as reduced rates or free items.

I am going to have another rules seminar in late June—check the breezeway for dates and times. We will cover everyday rules along with some less frequently used rules that will save you strokes on the course! If you have an interesting situation, call me and let me share it at the rules seminar.

Don't forget the Golf Show every Tuesday and Saturday on AM1290 radio; we have a great time and you can learn about what is going on in golf and hear area golf professionals talk about themselves and their courses. Have a great summer and play more golf—it does make it easier to score better.

PUB LINKS TEAM PLAY - 2007

On May 7, they played for the Area Title, losing to Chalk Mountain, but this is the furthest a team from SBWGC has gone for many years. Barb Willett emphasized that they all had fun playing and hope that they get this far again next year.

B Team players in the Division 2B North competitions at Elkins Ranch were J. Borrell (Captain), J. Ewing, C. Nielsen, L. Kirby, F. Pryde, T. Gough, B. Salazar, W. Fisher, M. Potter, D. O'Brien, K. TOURNAMENT CHAIR –*Lynn Craig*

Hostesses are needed for Wednesday play days!!!

This year we are trying NOT to make one hostess team do a whole month so there is a need for MANY hostesses. I have had good response up to now, but we need more than the SAME 20 ladies to volunteer. If you have NOT signed up to hostess at LEAST ONCE this year, please do so. There are no hostesses signed up for:

- August 1, 8, 15, 22 and 29—these are low net qualifying days for President's Cup in September, and follow the field players so these are EASY DAYS TO HOSTESS.
- September 5, 12, 19, and 26—these are President's Cup Tournament days for the lowest 16 net score qualifiers from August, plus follow the field players each day.
- November 21 and 28—these are regular play days; you decide the game.
- December 5 and 12—this is the Christmas Tournament for partners; 2 hostesses needed.
- December 19 and 26—these are regular play days; you decide the game.

If you have NEVER been a hostess, I will match you up with a partner who has done it before—**please volunteer**. It takes the cooperation of everyone who plays to make our system work. Please call Lynn Craig at 964-2995 to volunteer.
