## **PRESIDENT'S MESSAGE – Sally Smith**

This newsletter will be sent to all members of the Santa Barbara Women's Golf Club in order to make sure that everyone gets a membership renewal form for 2007. As you will note on the attached form, your application is due on November 1, and a late fee will be imposed if the \$50 fee is not paid by November 15. We hope everyone will renew!

I've enjoyed meeting all the new members in the last year. It's great to have so many active, interested participants! And speaking of interested participants, if anyone would like to chair a committee, please let me or any of the board members know of your willingness to serve. Emily Dempster is the board representative on the nominating committee preparing the slate of officers. We are particularly in need of members to serve on the Social Committee to help plan luncheons and the yearly Christmas Dinner. Doris O'Brien has done a wonderful job for the past several years and is ready to step down. The slate of officers will be posted on our Pro Shop bulletin board 2 weeks prior to the General Meeting.

The board meets every other month after golf, on the first Wednesday of the odd month. If you have any suggestions for the betterment of our club, please communicate them to any board member.

I look forward to seeing all of you at our next club luncheon and business meeting on November 8.

## **FROM THE GOLF SHOP – Richard Chavez, PGA Director of Golf**

The summer has flown by and I am sure all of you have not played as much golf as you would have liked but you certainly can take advantage of less rounds at the golf course during September and October to get a few extra rounds in. The weather is usually perfect and the course is in great shape except for the aerification that has been done the first week of October.

I don't know if all of you know we have an E-range key available that discounts range balls by 50 cents or more and we also have a practice club that provides unlimited range balls and use of the practice short game area on Monday-Thursday at a cost of \$49.95 per month! What a great way to practice and save money at the same time.

We will be providing free golf clinics this winter and now is a good time to improve your golf with a private, group or golf clinic lesson. Even Tiger Woods has a golf coach and teacher; maybe now is the time for you to get some help with this difficult game!

Play more golf!

## **TOURNAMENT CHAIR – Lynn Craig**

Please be prepared to sign up to be a monthly hostess or tournament hostess for 2007. A sign up sheet will be circulated at the November luncheon meeting. Everyone who plays regularly needs to take a turn to keep our play days running smoothly. Fusae Pryde has done a great job this year as weekly hostess. Let her know you appreciate her time and effort by taking your turn next year.

## TOURNAMENT RESULTS

**Lynn Kirby** won the President's Cup Tournament, a match play elimination event held in May. The Club Championship was won by **Fumie Sato** in July. That is four in a row for this talented lady! On October 4, **Alvina Schwan** won the Super Seniors tournament with a low net score of 66. Congratulations to all of these terrific lady golfers!

## GENERAL REMINDERS – *Jackie Ewing*

**Sign-Up Sheets:** You need to sign up to play on Wednesday two weeks in advance. We must reserve tee times with the Pro Shop and the schedule is posted in the breezeway and on the web site a week in advance. If you go into the pro shop later than that and can't find the sign-up sheet, call the hostess for that week listed in the Directory; they can usually find a spot for you to play.

**Foursome Responsibilities:** The low handicapper in each group is responsible for collecting the \$3.00 entry fee from each player, keeping the master card and having it attested by the other players before turning it in with the money to the day's hostesses.
